

Building Energy Simulation Awareness Workshop

On behalf of the
School of Illumination Science, Engineering and Design
and
Global Change Programme, Jadavpur University

An invitation is extended to you for a awareness
workshop on Building Energy Simulation

on

Saturday, June 14 2008

Programme:

09:15 Registration

09:30 Welcome

Chair: Prof. S. Datta, Pro-Vice Chancellor Jadavpur University

Welcome address: Prof. M.K.Mitra, Dean, Faculty of Engineering and
Technology

1000 Introduction of ECBC and Role of Energy Simulation

1030 Building physics overview, various loads calculations, its effect on
Energy Demand

11:15 Tea Break

11:30 Fundamentals & capabilities of Energy Simulation

12:15 Recent advancements in building materials, equipment & technology
– things to know for energy simulation from industry

12: 45 Case Study – Energy Simulation

13:30 Lunch

Project Supported by United States Department of Energy

Time: 09:15 to 14:30 hrs

Venue: K.P.Basu Hall, Engineering Science Building,
Jadavpur University, Kolkata

RSVP: Prof.Biswanath Roy: bnwroy@gmail.com : 0 943 388 7169
