

# Building Energy Simulation Awareness Workshop

On behalf of the  
Lucknow College of Architecture, Lucknow

An invitation is extended to you for a awareness  
Workshop on Building Energy Simulation  
On  
Sunday, October 5, 2008

## Programme:

- 10:15 Registration
- 10:30 Welcome
- 11:00 Introduction of ECBC and Role of Energy Simulation
- 11:30 Building physics overview, various loads calculations, its effect on Energy Demand
- 12:15 Tea Break
- 12:30 Fundamentals & capabilities of Energy Simulation
- 13:15 Recent advancements in building materials, equipment & technology – things to know for energy simulation from industry
- 13:45 Case Study – Energy Simulation
- 14:30 Lunch

**Project Supported by United States Department of Energy**

Time: 10:15 to 14:30 hrs

Venue: Lucknow College of Architecture, Lucknow

RSVP: Prof.Mukul Singh: [gcamukul@yahoo.co.in](mailto:gcamukul@yahoo.co.in) : 0522-2740152
